

## DOWNTOWN COLORADO, INC.'S LEARNING MANAGEMENT SYSTEM INSTRUCTIONS TO JOIN

DCI has an exciting new way to access education, activities, and tools through our Course Modules. You need to enroll to view the content.

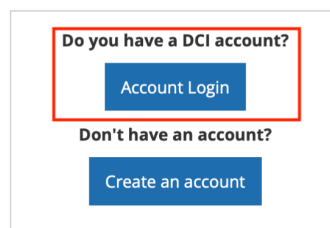

Here's how you do that:

- Read Instructions below
- OR [Watch this video](#)

**VISIT:** <https://www.downtowncoloradoinc.org/login/>

NOTE: You do not need to be a member to access this content but you DO need to sign in. If you are a DCI member click on the 'Member Login'. Our membership has two different types of accounts. You have a Company account to manage your membership and your individual account for events and YOUR LEARNING. **Make sure to sign into your individual account.**

### DCI Dashboard Login

Do you have a DCI account?

Account Login

Don't have an account?

Create an account

If you aren't a DCI member, no worries! **Select Create an Account.** DO NOT check 'Submit as a Company'. You want to create an individual account.

## CREATE A DCI ACCOUNT

Creating an account with DCI will allow you to interact with our tools and resources, and customize your experience with views tailored to your community and interests.

If you or your company believe you have a DCI membership or created an account on our portal previously [LOG IN HERE](#), or [RESET YOUR PASSWORD](#) if you need to.

If you are unsure about your account status or have questions, please [CONTACT US](#) before registering an account.

A dashboard should appear once you are logged in that looks like this:

## COLORADO CHALLENGE ACCELERATOR PROGRAM EDIT

September 10, 2024

### WHAT IS THE COLORADO CHALLENGE ACCELERATOR PROGRAM?

The Colorado Challenge Accelerator Program is a unique technical assistance program with a proven track record over seven years to transform community challenges into opportunities. We are excited to provide extended resources for redevelopment of opportunity sites and brownfields in your downtown.

Through this online platform, you will have access to all of the Challenge Program. Whether you're interested in the self-paced ("do-it-yourself") version of the program or participating in an active Challenge Cohort and planning to workshop your challenge at IN THE GAME, this program and platform are designed to help you move a project, property, or community initiative closer to redevelopment, development, or a key community goal.

This program includes eight structured modules, each offering tools and guidance to support your work. While you are welcome to explore the modules in any order, we strongly recommend completing them in sequence, as each builds on the last to form a comprehensive strategy.

#### Colorado Challenge Program Enrollment

**FREE**  
1 year of access
